DEMOCRACY AND SILVER.

To the democrate of the United States: signed democrats, present for your consideration the following statement: We financial policy would be especially dan- islation? Has it by a single party New Mexican. gerous to a party which, like the demo- act ever done anything for bimetcratic party, derives its voting strength allism? Has it not always been from those who may without repreach the champion of the gold power, be called the common people; and we point to the overwhelming defeat of the and is it not playing into the party in 1894, to the opposition aroused hands of that power at every turn? the still more unanimous protest against it may resolve to bunco the voters the support of the gold standard pol- meaningless declarations, but that

We believe that the money question republican party has never made will be the paramount issue in 1890, and an honest effort in behalf of silverwill so remain until it is settled by the as a money metal and it never will intelligence and patriotism of the American votera.

We believe that a majority of the democrats of the United States favor

at the present legal ratio of 16 to 1, as to their satisfaction. Judge Bantz, other nation, such gold and silver to be a taxes must be paid. full legal tender for all debts, public and private.

We urge all democrats who favor the financial policy above set forth to associate themselves together and impress their views upon the party organization. the sub-committee on resolutions program

THE New Mexican will issue a paper on the 27th inst.

IT LOOKS very much now as vention which nominates the pres- bines and high tariff. though the Missouri democrats idential and vice-presidential canwere going to have a state silver didates. Messrs. Dubois and There were "cases of fossils, earth ment." convention at all hazzards.
